

Debate: Grand Canyon Dam Controversy

Bureau of Reclamation

How would the dams benefit the southwest?	Why were projects like these dams necessary in the southwest?	To what extent would the dams flood the Grand Canyon?	What alternatives were proposed by the Bureau?

Sierra Club

Why should the Grand Canyon be protected from development like dams?	Was there an alternative source of funding for the CAP? Explain.	What perception did the American public have of the Grand Canyon?	What damage could the dams cause to the surrounding ecosystem?
